

**Gabriela Camille L. Lorenzo**

The past 4 years have been everything but ordinary. There may be moments that will be remembered in whole, while other whole months will be forgotten. Still, I only feel grateful for every story Ateneo has allowed me to share in.

**Jose Paolo Miguel R. Lozada**

The thrill of uncertainty molds people into who they are today. It's the journey, not the destination, that will count in the end. Keep your head up and keep moving forward.
