*MINOR IN INTERNATIONAL BUSINESS*

Maybe this isn't enough to describe this girl's journey in the Ateneo. Along the way, I discovered how strong a person Pat is. Given the opportunity, she'll always go above and beyond for you. You would be lucky to be called her friend. In everything that she does, she gives her 110%. Someone like Pat is definitely one of a kind. Being the Kapitana of Babble as well as the ORSEM head in 1 year is no easy feat. Amid the hardships she faced in her 4 years, this girl is ready to go down the hill.
