All We Know Is Falling, and soon I will start a Riot! The Ateneo has given me Brand New Eyes, and has taught me how to truly be a woman for others. The Ateneo will not be my paramour (Paramore), because my love for it will never be kept a secret. I'll forever be grateful for my stay here, after tears and After Laughter.

She dreams big, but has remained humble at all times. This is Khrizelle, also known as "Bigs" by her close friends: a shy, sweet, little girl turned tennis varsity member. Tennis basically sums up her college life but she is able to manage it with work, family, and social life with great ease. Bigs definitely knows how to live her life to the fullest. We know that she is destined to do great things in this world.
