If you've ever wondered what passion looks like, you should see Jake. You should see how his face lights up when he talks about a sale for his favorite video games or in Uniqlo. You should see how he stays up for hours 'til sunrise perfecting his creations. You should see how he completely pours out his heart for the people he loves. Jake's passion is definitely something else. It's the kind that can make days better, and soon, the world. To Jake, ya dorky. (D. Bibera)
