To discovering what I was most passionate about. To all the sleepless nights, missing parties, and no one understanding. If you want something you've never had, you must be willing to do something you've never done. If you want to change your life and become the best version of yourself, you have to put the work in. There are no shortcuts to success. You have to be able to do what no one else is willing to do. It's simple: keep grinding and you will reach your goal.
