

Ma. Bettina Ysabel R. De Los Santos

“The most effective way to do it is to do it.” And no one does it better than Betts can. Betts is a smart, driven, and passionate leader. Ateneo has trained her to be a woman who is a doer and maker of things. The beauty she holds is not seen only by the way she looks, but in her will to be unapologetically herself. Everyone knows that nothing is more attractive than a woman who is confident. It really is no wonder that everyone bet on Betts, the girl who is both the glitter and the light.
