

**Guilberto Andre A. Ulep**

I wouldn't know where to start with Gibo. He's strong yet gentle, smart but eager to learn, steadfast but at times surprising. His strong heart and mind is what makes him as a person, and that's only one of the many things that people love about him. He has spent over a decade in the Ateneo, but he'll always be a true blue Atenista. (E. Cimafranca)

**Victoria Anne Urrutia**

I didn't have a dream school and so I didn't know what to expect enrolling in "The Ateneo." I didn't expect that half of my stay would be filled with crammed papers, pre-orals anxiety, and frustrating all-nighters. I never would have thought that I would be a part of OrSem, Tugon, or the dean's list. But I would gladly go through all the tiring days and stressful nights again as the memories made and lessons learned were all worth it.
