*MINOR IN DECISION SCIENCE*

These past couple of years in the Ateneo have been quite the ride—chock-full of hard-to-please professors, crammed submissions, and sleepless nights. One thing, though, that has been consistent all throughout this journey was the memory-making—memories that will stick with me for the rest of my life. Thank you so much to everyone who has been a part of this memory-making. Thank you, Ateneo, for not only being a memory-maker, but also for being an inimitable teacher.
