

Sam Zachary C. Nuyles

After 16 years, down from the hill I go.

Karen Joyce D. Odtujan

MINOR IN MARKETING

How far have I wandered in college? It's farther than driving myself to school and back, or from enlisting in classes to submitting final requirements. It reached creating lasting relationships and sharing life stories with the people I love. In Ateneo, it's more than just doing things; it's doing things with love. This place will always be a symbol of the strong bonds that I have established—a place I truly call my home.
