Gulong ng buhay
Patuloy-tuloy sa pag-ikot

John Vincent M. Tumaneng

For four years, you pushed me to do more. For four years, you showed me how weak of a person I am, and why I need other people in my life. For four years, you slapped me in the face to situate myself in what is real. You are harsh, but I know you only want the best for me. Thank you, Ateneo! I have no regrets in choosing to live your way—the Ateneo way!
