She is honey in your tea: the warmth you feel on your hands and in your heart after that first sip. She is a firecracker, loud and colorful – we are awestruck by the sight. She is both the sunset and the sunrise, soft and glowy, beautiful in the still, quiet moments. Heart and mind: Hannah has a balance of these two. She has a fierce love for all those around her and a passion for everything she does. Meeting her was unexpected. How do you just stumble upon someone as lovely as this?
