MINOR IN GERMAN

And Yellow decided to risk for a butterfly.
For courage she hung right beside the other cocoon and began to spin her own.
“Imagine, I didn’t even know I could do this. That’s some encouragement that I’m on the right track. If I have inside me the stuff to make cocoons – maybe the stuff of butterflies is there too.” (T. Paulus)
It was a tough journey realizing I had it in me to be a butterfly. Thank you, Ateneo.

Raven M. Alla

MINOR IN DEVELOPMENT MANAGEMENT

Even though I’ve only known Raven for roughly four years, he’s probably the most kind-hearted person I’ve ever met. He’s the type of guy who would pick you up at 2 am to grab a bite just to cheer you up. It may not look like it but he’s also a softy inside. Because of his personality, people tend to gravitate towards him - it’s proof of just how fun and reliable Raven is. If there were any way to concretely describe him, he’s the one best friend everyone deserves to have in their lives.
