

Jonathan Luis C. Cruz

You'll never meet a guy more hardworking, dedicated, and passionate in almost anything he puts his mind to than Jonathan. Be it in academics, his business, or representing the school on the golf course, you'll always see him at his very best. A true blue-blooded Atenean, Jonathan embodies what it means to be a man for others and a man of God, but he is more than that. He is a remarkable role model to his peers and a loyal brother to all of his friends.

Climbing up the hill was no easy journey, but it was one I'm glad I took. These four years have tested my character. From studying anywhere and everywhere to Simbang Gabi at the Gesù, to jogging around school, Ateneo developed my grit and balanced it with compassion. Now that it's time to go down, I will take with me friends, memorable lessons, and passions that would guide my path from here on out. Here's to the Ateneo that made me a stronger, wiser, and ultimately, a better version of myself.
