

**Daniel Luis B. Bautista**

"We are always going to have challenges. When we make it through one, another one is going to come along. Life is unpredictable. You can't always see what's coming next, and you have to be okay with that. Make decisions that you think are best for you, but accept that things not go the way you planned." (Laura Brown)

**Kurt Vincent L. Bautista**

Incredibly grateful because there was nothing I ever could've done to deserve any of this, yet You still chose to bring me this far.
