Our relationships with the people around us shape who we are, opening us up to the world and also revealing us to ourselves. Look for and appreciate the people who will push you to pick yourself up and keep going when you fall, maybe even lending a helping hand or a shoulder to lean on.

For all the people in my life who made me a better person and stood by me through all the trials and tribulations that come with an Atenean education, I am eternally grateful. I couldn't have done it without you.
