Since he's cramming this writeup and he's no writer, he's just quoting that OneRepublic song that gets him through anything:  
"Hope that you fall in love And it hurts so bad The only way you can know  
You give it all you have And I hope that you don't suffer But take the pain...  
Hope when the moment comes You'll say I, I did it all  
I, I did it all I owned every second that this world could give  
I saw so many places The things that I did  
Yeah, with every broken bone  
I swear I lived."

**Jeanne Marie K. Lao**

"Don't ask what the world needs. Ask what makes you come alive and go do it.  
Because what the world needs is more people who have come alive." (Howard  
Thurman)
