

Margaret M. Doctor

MINOR IN SPANISH

More than just a studious Atenean, Meg is definitely someone you'd be thankful to have in your life. A true person for others, she's the kind of best friend who would cross oceans to brighten my day—the sunshine I can't imagine life without. Truly God's gift to mankind, Meg is the kind of listener you can talk to about anything under the sun and expect no judgment whatsoever. Despite the awe-inspiring person that she is, this Siomai Queen is the humblest person you will ever meet. (J. Cabral)

I believe the swiftest surgeries are the least painful so I'll try to keep it short. It has been an honor and a privilege, Ateneo. I believe it's high time I said farewell. As someone who straddled both sides of the fence, hail to thee, Ateneo and La Salle, my alma maters. I'll carry your names with pride wherever I go. Thank you for everything, a thousand times over.
