

Andrei Orlando A. Ona III

It was a long journey. There were long nights, long papers, long classes, and many, many, long faces but in the end I found fulfillment, I found knowledge, I found perseverance, and most importantly, I found friends I will cherish for the rest of my life. I found many things in my stay here, but in the end, I found myself a better man; and for that, Ateneo, I thank you.
