Nagsimula tayo na inaakalang matututunan na sa Ateneo ang lahat ng kailangan sa buhay, pero magtatapos na mas marami pa palang katanungan. Sa lahat ng naniwala at gumabay, sa mga kaibigang dadalhin na habang buhay, at maging sa mga taong nalimutan ko na ang pangalan pero naging bahagi ng paglalakbay na ito, salamat. Utang ko sa inyo ang kung sino ako ngayon, at kung sino ko nais maging. Patuloy kong tutuklasin kung paano maging tao para at kasama ng kapwa. Salamat, Ateneo. AMDG.

*DOUBLE MAJOR IN MANAGEMENT ENGINEERING
MINOR IN MARKETING, PHILOSOPHY*

While she appears serious at first glance, Faith is actually talkative once you get to know her (and her energy spikes). She actively dedicates herself to her different passions. Because of her humility, her achievements never fail to surprise those around her. While she still enjoys her stuffed toys and describes herself as 'cute', her experience and maturity allows people to trust her. Ever ready to listen, Faith is the go-to person for advice or if you simply need a friend (A. Rodriguez).
