What seemed impossible became possible in my journey in Ateneo. I got to do things I never thought I'd do, and I became someone I didn't think I was capable of being. Ateneo has taught me to take risks, believe in myself, power through, and grab opportunities. Thank you, Ateneo, for giving me things to be passionate about, memories I will cherish forever, and people that give me joy, love, inspiration, and hope. As much as I want to stay, I know this is not the end but is simply a new beginning.
