

## Rezen Paul R. Andaya

*MINOR IN MANAGEMENT*

To Daddy Reggie and Mommy Zenaida, whose names combined formed mine, I love you. To people who mispronounced my name as Renzen, Razen, or Renz through the years, you challenged me to succeed and make it big so you won't forget that it's Rezen.

## Ronni Mariyo S. Antonio

*DOUBLE MAJOR IN BFA ART MANAGEMENT*

To all the friends who left before they could finish their dreams, I made a promise once that I would continue on with the same fiery passion you had in your hearts and to chase after my goals in your names. I hope I was able to stay true to that and I hope I made you guys proud. Keep smiling down on us from up there. To Sophie and Jake, this one's for you.
