MINOR IN MANAGEMENT

Hindi maling maligaw. Hindi rin maling matalisod, o mabigo. Sa aking pananatili sa Ateneo, natutunan kong maabot ang mga lugar na hindi ko inakalang maaabot ko, makakilala ng mga indibidwal na naging at magiging bahagi ng buhay ko sa labas ng kolehiyo, makatuklas ng sarili ko na hindi ko akalaing makikilala ko. Ngunit sa aking paglisan, na alam kong isang pamamaalam, magpapatuloy pa rin ang aking paghahanap, ang paglalayag, at pagkilala sa maaari ko pang maabot nang muling maligaw sa pagtuklas.

Juan Gabriel P. Felix

"I will remember this moment. The stillness and the dusk. The bowl of wild strawberries, of milk. Your faces in the evening light. Mikael lying asleep, Jof with his lute. I will try and remember what we spoke of. And I will carry this memory between my hands, as carefully as if it were a bowl brimming with fresh milk. And this will be a sign for me, and greatly fulfilling." (Antonius Block, The Seventh Seal)
