

Dale Gilbert D. Galindez

Nagpapatuloy sa paglalayag sa kabila ng matitinding alon. Iyan si Dale. Sa unang bahagi pa lamang ng buhay-kolehiyo, mababakas na ang pagiging aktibo, masikap, at bukas sa pagbabahagi ng kanyang kakayahan at paninindigan. Marami na siyang nalampasang pagsubok, personal man o sa akademiko at organisasyon, na tinatamasa niya upang paigtingin ang kanyang “bakit”; ang “bakit” na nagtutulak sa kanyang magpatuloy hindi lamang para sa kanyang sarili, kundi para sa iba rin. Padayon! (B. Arvesu)

MINOR IN MANAGEMENT

It wasn't in Ateneo where I found my purpose but where I learned to accept it and commit to it. I started out guessing people's zodiac signs and reading birth charts as a starry-eyed freshman. Four years later, here I am laughing as my own astrology business helps people fall in love with themselves through the stars. Thank you to my Ateneo family for allowing me to dream, liberating me from self-doubt, and inspiring me to be the better version of myself everyday.
