

Martin Angelo P. Awid

To the person who completely changed my college experience—the guy who undoubtedly has the biggest heart but also the weirdest and corniest jokes. A master charmer who, when it comes to the people he cares about, is always ready to give everything that he can offer. He is always willing to exert the time and effort just to make these people happy; putting their needs before his has never been a problem for him. Knowing these, the future better be ready for him!
