Hustle amid adversity. This has been my mantra through four years of successes and failures in the Ateneo. From every “F” I received to every all-nighter I made, I can say that I have overcome all the hardships with my best foot forward. To immerse oneself in the stress of the Ateneo workload is a privilege not to be wasted, and the biggest regret one could have is to say he shouldn’t have given up. Thank you, Ateneo, for teaching me what the true essence of “One Big Fight” is all about.
