

## **Manuel Pio Tomas Rolex C. Suplico**

Bold yet refined. With a passion for things yet undiscovered, he finds beauty in the obscure, from his tastes in music to the literature he enjoys. He shares this pursuit with others, in both his career in music production and in law. Tom is an artist and an explorer at heart—a trailblazer in the making. (I. Martinez)

## **Adrian George A. Syliangco**

“Even though you’re fed up, you gotta keep your head up.” (Tupac)
