“Pasensya ka na sa kathang isip kong ito. Wari’y dala lang ng pagmamahal sa’yo.” (Ben&Ben)  
Pasensya ka na, Ateneo, sa mga pagkakaibigan na napabayaan, sa mga araw na ‘di pinasukan, sa mga klase na binagsak, sa mga gurong tinulugan. Ngunit, salamat din, Ateneo. Sa’yo ko natutunang magbigay sarili, magpakakumbaba, magsumikap, at magmahal.  
Kaya’t pasensya ka na sa dinami-dami kong inireklamo, ngayon ko lang iyon napagtanto. Wari’y parating magpapadala sa pagmamahal sa’yo.

When I first saw him, he looked arrogant, as if capable of independence and writhing in his glory. When I first met him, he was silent; quiet about his mind, and teeming with potential. When I first knew him, he was a friend; a friend who’d ask for help when basked in wonder, but in turn gave help when help is due. Like me, he is a dreamer; hoping of better reap from what he painstakingly sows. And I believe that in time, he would indeed be able to reach quite far; further than his dreams.
