Ateneo will always have a special place in my heart. It is where I learned my ABCs, up to my DNAs. It is where I encountered the most amazing, and life-changing people. Where I found my heart's desires. I am thankful for being placed in the crucible, and being forged into the man I am today. For all the joys and tears, to the fears and beers, thank you. On to the next challenge! OBF and AMDG.

"Do not pray for easy lives. Pray to be stronger men." (J. Kennedy)

To my present and future self,

"The journey you take now will be led by you alone.

Don't let that scare you.

Oh, no. Let that liberate you.

Keep moving forward. Don't be frustrated when your path gets messy because it will get messy. You'll fall, and you'll fail along the way, wildly. Embrace the mess!"
