

## Francisco Jr. A. Cabasag

*MINOR IN DECISION SCIENCE*

“Where you movin’? I said, ‘On to better things.’” (A. Graham, 10 Bands)

## Shannen Justine M. Caintic

Jat is the bubbly and cute girl you see strolling around the streets of Katipunan at any time of the day. Little do people know that she carries with her a sense of wit in every conversation you have with her. Jat is the person who, while shivering, will cling to you in a dark room, but she is also the type who will surely be with you in times you are most doubtful of the choices that you make. (D. Palafox)
