MINOR IN JAPANESE STUDIES

500 characters are not enough to thank all the people who's done stuff to get to where I am right now, but I wish to make a few special mentions:
First, thank you to Disney for brainwashing me into thinking that anything is possible. I owe you for my extension.
Second, thank you to my family for supporting this ridiculous endeavor. I hope I'm not a disappointment.
It's not over yet.
