MINOR IN KOREAN STUDIES

Mula buwang-liwayway ng pagtuklas, sinundan ng sari-saring pagsubok, ngunit sinamahan ng iba't ibang taong naging parte, nagturo't, dumamay. Ang pagtahak sa landas na nagsilbing tampulan ng karanasan, karunungan at kasiyahan ay di nga ba't isang pambihirang tagpo na kailanma'y bahagi na ng aking buhay, salamat Ateneo. Ang karangalang ito'y inaalay ko sa aking pamilya't mga kaibigan na walang sawang nagbibigay suporta't pagmamahal.

MINOR IN LITERATURE (ENGLISH)

Congrats future me, for staying alive this long to actually look back at your yearbook. Good thing you didn't lose it! Remember Ateneo? Yeah it was tough, but you lived through it. Remember your friends, your team, PEERS. Remember the A's, the F's, the crying all-nighters. Remember therapy. Has it all come back? Good. Make sure what you're doing right now is memorable too!
