"We're here for a good time, not a long time."

That was one great story, Waks! Thanks for the memories, bro!

College was one hell of a roller coaster ride, but without the roller coaster. If there's one thing I learned the past four years, it's to live in wonder, appreciating everything and everyone around you, but expecting nothing - simply enjoying the ride.

Uncertainty and change are the two things which scare me the most. Yet, in my four years in the Ateneo, I found myself pursuing my dreams with passionate vigor. Uncertainty, it seemed, was an inescapable part of life, while change was a door that led to opportunities. Thank you, Ateneo, for helping me overcome my fears and allowing me to take part in adventures I could have only dreamed of.
