

Isabel Beatrice S. Valenzuela

I encountered my greatest fears in Ateneo but I left having conquered them. I learned how to stop running away and instead, faced my fears head on. Shifting out of a course, losing things that I hold dear, and joining a theater organization are just a few of the experiences that have shaped me into the person I am today. It wouldn't be possible without my roommates, my friends, and my orgmates, who I hold dear to my heart.

Helene Ashley R. Vera Cruz

We're soaring! We're flying! There's not a star in heaven that we can't reach! (Z. Efron & V. Hudgens, Breaking Free)
