

Giniel Mae F. Tionson

No matter how ambiguously difficult it was to fight for the things greater than myself, I realized that I cannot give up on something that inspired me to live and love. The tremendous, riveting pain was there to fasten my attention on something that I never even dreamed to be my calling. Now what did I get from all my struggles and stress? Profound joy and fulfillment—because I found my niche amidst the grander scheme of things.

Thank you, Ateneo, for expanding my universe of meaning.
