

## Juan Alberto S. Daco

*MINOR IN BIOMEDICAL SCIENCE*

A fun-loving friend, Jambo Daco, makes every attempt of an interaction into a meaningful one through a joke or a well-thought of retort. His compassion towards his friends is the realest thing you'll ever experience.

## Radel C. Dagdag

*MINOR IN BIOMEDICAL SCIENCE*

"My yearbook write-up should reflect my entire stay in the Ateneo," I think to myself as I cram it before the submission deadline.  
If you are reading this, then I probably finished my thesis.  
"Be water my friend." (Bruce Lee)
