

## Alfonso Martin D. General

Hendog is that one friend you will always remember in the future years of reminiscing. His jubilant disposition easily makes him a candidate for being the life of the party. Guided by his unique moral compass, he will never fail to infect you with a sincere smile and invitation to crack open a cold one. He's my best friend which is why I'll never admit to him that he is one of the greatest cooks I know, and that he is a true chef in the making.
