

**Jan Ashley Martelino**

*MINOR IN HISTORY*

Still kinda cool.

**Stephanie Nicole C. Sy**

*MINOR IN EDUCATION*

Whoever says that “high school is the four best years of your life” is lying. College, for me, is where it’s at. Thank you, Ateneo, for giving me new friends, my first relationship, more headaches, tears, laughs, mind-blowing realizations, and an appreciation for life and all of its struggles. Kudos to you, future me. You finished thesis!
