“Stuff your eyes with wonder...live as if you'd drop dead in ten seconds. See the world. It's more fantastic than any dream made or paid for in factories.” (Ray Bradbury, Fahrenheit 451)

Over the last 4 years, Ateneo has given me countless opportunities to grow and to become a better version of myself. To the people who have been a constant part of my everyday, and to the ones I've only known briefly but have made a mark, thank you for making my stay in the Ateneo more memorable. Because of you, I was able to spend even the hottest days and sleepless nights with a smile.
