“The most beautiful act of faith is the one made in darkness, in sacrifice, and with extreme effort.” (Padre Pio)

Chloe C. Ryan

From the moment I set foot on campus, never did I expect the four years I had ahead of me to be as life-changing as they were. Ateneo has gifted me with invaluable knowledge and lifelong friendships, both of which have truly made me feel that this was the place where I belonged. They taught me the value of magis and gave me the chance to fly high. It wasn't an easy journey but all the joys and tears were definitely worth it. So thank you for the wonderful years, Ateneo. Now it's time I return the favor.
