

Datu Amir E. Wagas

The company of lifelong friends, the wisdom of inspiring professors, the challenges we overcame and the ones we couldn't, the storms we endured and those we couldn't weather, the success and failures, the good times and the bad—they've taught us to do more, to be more, and above all, to love more. Ateneo, your lessons will always light our path, and as I leave your halls, I promise this: that I shall go back to my people, the Bangsamoro, to do the greatest lesson you taught me—to serve.

MINOR IN PHILOSOPHY

I will leave Ateneo knowing that I have loved and have been loved well during my stay. Besh, that love will continue to go further and grow even deeper. "Fall in Love, stay in love, and it will decide everything." (Fr. P. Arrupe, SJ)
