Where will I be without all the wonderful people in my life? My heart is filled with gratitude. Thank you to my family, both my parents and my two sisters, for their unrelenting support. Thank you to all the friends I've made and kept throughout the years. Thank you to all my teachers (shout-out to my thesis advisors) for letting me learn from them. Thank you to all my classmates, the people I happened to meet, and everyone whose lives crossed mine. Thank you all. It has been a pleasure.
