

## **Antonio Luis M. Madlambayan**

I've known Luis for almost 8 years now, and ever since, he's always been a G. Luis is one of those pure-hearted dudes you don't really see nowadays, the type who doesn't judge and always sees the better side of everyone. If there were a phrase to describe Luis, it would be: "Whatever you need, man, I got you." Luis will always put his friends' interests before his own, and that attests to why he has such an endearing personality. Even though his jokes are corny, Luis will always be a G.
