College was fun, I guess.

Isabelle Ria Q. Caluag

Going to college was never easy but it is fulfilling. Throughout Abby's journey in Ateneo, she's had her share of success and failures, happiness and distress, ups and downs. Amidst it all, she never gave up and continued to face the challenges that come along her way because she knows that it's all worth it in the end. Also, through her kind and caring nature, she has made a family for herself within Ateneo who loves and cares for her just as much as she loves and cares for them. (P. Medalla)
