Ching is the very definition of a 90's kid. Her laptop is decorated with icons of the generation, and she's a powerhouse of trivia about the details of that time. Ching firmly paves the path with ideas of the generation of the future, as an English Literature major and a member of The GUIDON. Her stay in the Ateneo has allowed her to bloom into the person she wants to be: smart, sassy and ready to take on the world. (S. Siquijor)
