

## Marc Justin V. Dela Cruz

Write something about Marc dela Cruz? Easy. A real bro and a man for others. He may be a bit absentminded and slow at times but that's okay cause he's lovable nonetheless. He's the Patrick Star to your Spongebob Squarepants, the Scooby to your Shaggy. He'd even drive you home when you're drunk, free of charge. He'll always be there, through thick and thin, and for that, you'll be proud to consider him your friend. (K. Navarro)

*MINOR IN MANAGEMENT*

As we go Down the Hill, we go up another. Discovery never stops. Learning never stops. The struggle never ends. Failure has come and gone but these are what makes it all enjoyable. Failure is what leads to unexpected discoveries. The college experience was a roller coaster to say the least. It had ups, downs, twists and turns and was also nauseating at times. But as I hop out, I will look back and cherish the moments I had. Friends, profs, staff. Everyone in the community made the experience.
