*MINOR IN FRENCH*

If anything, there's a whole lot more to this person than it looks. This is also what you get when you mix sixteen wonderful years of wins, losses, love, bad thoughts, memes, Twitter wars, bullying, a DL semester, several org projects, all-nighters until 4 AM, waking up at 5 AM for a 10 AM class, and a whole lot of respect and resilience.  
Get stronger; fight harder.
