

## Jerome Alfred C. Chua

"It's not what you do, it's how you do it."

"It's only a race if I'm winning."

"If you can't pick a something, why not choose them all."

Every victory & achievement, every loss & failure, and especially all those all-nighters & last-minute submissions have shaped me to be the person who I am today. It may be the end of the road for me in the Ateneo, but I'll treasure all my experiences & take everything I learned to help me in the remaining chapters of life & become my best self.

## Princeton Philip V. Co

"Nobody in life gets exactly what they thought they were going to get. But if you work really hard and you're kind, amazing things will happen. I'm telling you, amazing things will happen." (C. O'Brien)
