The zenith of this epic is astounding since the whole experience makes you realize that limits can be tested and that we all underestimate ourselves and what we could do for everyone, most especially for the people we love. To choose this path, this Ateneo way, means embracing a sense of responsibility in every decision and action taken. Ateneo has taught me to choose wisely, travel widely, and live freely. Even if paths diverge for now, there is a wish and a promise. All will be well.

Sa lahat ng mga kaibigan, guro, at sa aking pamilya na patuloy na nagbigay ng suporta at pagmamahal at nagtulak sa aking maghangad ng higit pa, maraming salamat dahil binigyan ninyo ng kahulugan ang aking paglalayag sa isang mahiwagang landas. Sa pagtatapos ng isang magandang simula, patuloy tayong mangarap, magtiwala, tumindig, at kumilos.
