

**Juan Emilio Francisco N.  
Hilario**

**Andrea Denise A. Hing**

I entered college thinking I made a mistake-- that I went to the wrong school. Little did I know that studying in the Ateneo would be one of the best decisions I'll ever make. Not only did I experience being at my wits' end (which in turn taught me the value of perseverance and much more), but I also met some of the best people. Thank you, Ateneo. I am ever so grateful.
