Daniel Lorenzo A. Dela Cruz

Many know Danny as someone who is outgoing and witty, but don't let that fool you. I have known him for a couple of years now and I can guarantee that he is much more than what people think. Danny is someone who will always be there for you when you need him. He truly exemplifies on what it means to be friend and has constantly shown that the value of friendship is capable of overcoming anything. Even though our college lives are about to end, Danny will always be like family to me.
